Dear Sir/Madam,

Re: Submission regarding Crown road closure application at Warrimoo

Reference is made to your submission regarding a Crown road purchase application for Crown road/s at Warrimoo.

Each submission is carefully assessed with many factors taken into consideration before a determination is made whether to close a road. If applicable, consultation may be also undertaken with other authorities and agencies, before making a decision.

This letter is to advise that after assessment of all submissions received, the Minister's delegate has determined that the Crown road parcel will be sold to the adjoining owner, the applicant, with an easement for access (foot and bicycle) to be created over the track to ensure public access is maintained to the Blue Mountains National Park.

Enquiries in relation to this matter can be directed to Caroline McNaughton, who can be contacted on 02 4920 5012 or via email at caroline.mcnaughton@crowmland.nsw.gov.au.

Yours sincerely,

Caroline McNaughton
