Hard track

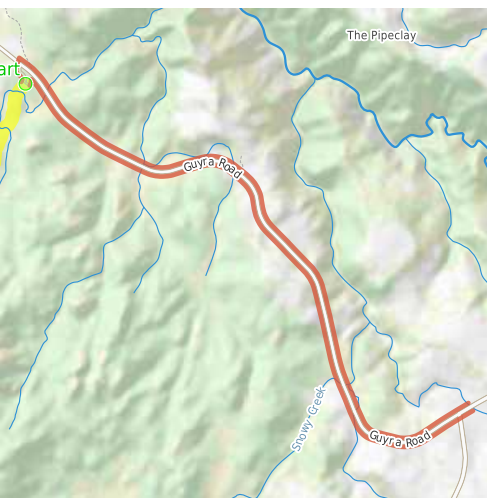

From Native Dog Creek campground and picnic area this walk takes you through Cathedral Rock National Park to Woolpack Rocks. These ancient rocks are enormous. Take care scrambling about and enjoy the stunning district views from the top. The walk is easier than the one to Cathedral Rock. Let us begin by acknowledging the Gumbaynggirr & Anaiwan people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
