From Bundeena, this walk heads south to the coast and then loops around Marley Head. The environment changes from heath to open, rocky platforms along the cliffs. There are great views from Marley Head, and the section between Marley and Bundeena Lookout is just astounding. Look out for lizards in the heath sections, as it abounds with wildlife. Let us begin by acknowledging the Dharawal people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
