Smooth & flat

This leisurely creek side walk follows the footpaths and boardwalks from Davies Reserve to the footbridge crossing Salt Pan Creek, just upstream from the railway bridge. The only facilities along this walk include seats and a toilet block at Davies Reserve. This is a nice way to explore the mangroves and willows along the river. Let us begin by acknowledging the Darug people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
