Starting from the car park at the end of Mapleton Falls Road, Mapleton, this walk takes you on a circuit in the lush rainforest of Mapleton National Park via the Wompoo Circuit, visiting Peregrine Lookout along the way. Also, you can visit the Mapleton Falls Lookout after/before your hike to enjoy some exceptional views over the Queensland hinterland along with the waterfall. The dense rainforest is teeming with interesting wildlife, and the towering trees around add an extra layer of serenity to the experience. The Peregrine Lookout features a cozy seat with a backrest that you can refuel as you savor the views of the mountains covered in green. With interpretive signs and undulating tracks, this walk makes for a great opportunity for little kids to get started and learn about nature. Keep in mind that dogs are not allowed in the area. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
