This walk takes you from Govetts Leap lookout, around the cliff tops, to Pulpit Rock lookout. The walk passes many lookouts, each giving their own unique perspective of the Grose Valley's dramatic cliff line and waterfalls. The walk down to the lower platform of Pulpit Rock is via a set of steep stairs, the view varies at each of the three levels. Let us begin by acknowledging the Dharug & Gundungurra people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
