Starting from Mount Thackeray Hiker Camp, Grampians, this return walk takes you to Mount Thackeray Summit and back. You can enjoy the exhilarating sunset over the surrounding plains after walking through the mint bushes and the open forest. The summit also offers you panoramic views of Victoria Range Remote, and incredible geological rock formations are a plus. There are steep sections towards the middle of the trail, so a certain amount of fitness level can be helpful. Additionally, as the rocks can be slippery and sharp, you might want to wear appropriate footwear. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
