Smooth & flat

This very pleasant walk starts from the Katoomba Falls Park. The walk explores the cliffs and dense vegetation in the area, and enters the Blue Mountains National Park to enjoy the views from the Cliff View Lookout. The lookout provides stunning views up the Kedumba Valley. The walk is well signposted, has handrails and fencing. The walk passes under the skyway just below the eastern station. An easy walk with spectacular views. Let us begin by acknowledging the Dharug & Gundungurra people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

Getting started: From the intersection (by the signposted mobility parking bay on Cliff Drive, about 120m from Katoomba Falls Road), this walk follows the 'Cliff View Lookout 10 mins' sign gently uphill along the stenciled concrete path (with handrails on the right) for about 60m. This walk then meanders along the path gently downhill for about 45m to come to a start of the second handrail (on the left) where this walk becomes a bit steeper downhill. After about 60m this walk flattens and continues gently uphill for about 80m to come to a 3-way intersection with the 'Skyway East Station' staircase (on the left).

From the intersection, this walk follows the stenciled concrete path keeping the handrails on the right, almost immediately passing under the cables of the 'Skyway' cable car. This walk continues for about 40m and goes up and over a gentle rise to come to a concrete platform marked by the 'Cliff View Lookout' sign on the fence.

Visitors can travel one way, in either direction (Adult \$10 child \$5) or take a return trip (Adult \$16 child \$8), with family discounts available. The Skyway enjoys a full 360-degree view, with a glass floor allowing you to look straight down at the trees 270m below. This is a spectacular and popular attraction for visitors to the area and is open daily from 9am to 5pm.

At the intersection of Prince Henry Cliff Walk & access to Prince Henry Cliff Walk **veer left**, to head along Prince Henry Cliff Walk.

Continue another 20 m to find the end. Then turn around here and retrace the main route for 260 m to get back to the start.

About 20 m past the end is "Cliff View Lookout".

This large, fenced wheelchair accessible lookout provides great mountain views of Mt Solitary, Kedumba Valley, Narrow Neck and across to Scenic World. There's a bench seat at the back of the lookout to enjoy the views from. The lookout fence is 1.2m high, the platform is 7.8x5.5m wide.

About 20 m past the end is "Seat".
