Starting from the Devils Kitchen car park at the end of Tasman Arch Road, Tasman National Park, this walk leads to Waterfall Bay via the Tasman Coastal Trail. Skirting the cliff line from Devils Kitchen, the trail to Waterfall Bay is a brilliant return walk via a hardened walking track. Geology is the star here, with amazing formations, including arches and gulches worn through sedimentary layers by constant wave action. Multiple viewing platforms along the trail provide fantastic views of the tremendous coastline the peninsula is renowned for. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
