Moderate track

Starting from Gate 13 at the intersection of Goldfields Road and Plum Road, Barossa, this walk takes you on a circuit within Para Wirra Conservation Park via the Bowden and Quarry tracks. As you walk along this track, you can read the information boards and learn more about the mine workings that were present in this area. There are still some mine shafts and tunnels to be observed as you explore this hike. There are toilets and a picnic area located at the Bowden Cottage. This hike has a few river crossings that may be slippery, and the use of hiking poles may help. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
