Easy track

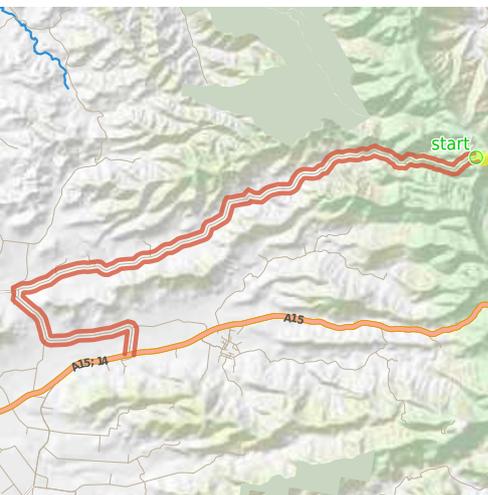

Starting from Lookout Road, Goomburra, this walk takes you to Sylvesters Lookout and back via a singular straightforward track, exploring the rainforest of Main Range National Park along the way. You'll be met by exceptionally panoramic views in no time, after a peaceful and worthwhile stroll of a walk. The city of Brisbane presents itself to the north while the Scenic Rim and the surrounding hinterland stand out beautifully to the south. Informational signposts at the lookout will help you identify what you see. Keep an eye out for interesting fungi species on trees and the ground as you make your way to the viewpoint. Take care around exposed tree roots. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
