A short version of the Wyrabalong Coast Walking Track, this walk covers some of the highlights through this long thin strip of beautiful coastal forest, with fantastic views of the coastline from many vantage points along the way. Crackneck Lookout, at the end of the walk, has stunning views and would be a great spot for a picnic lunch. Let us begin by acknowledging the Darkinjung & Guringai people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
