This walk could also be known as the long way round to Beauchamp Falls. The Horse Track is poorly defined towards the bottom the walk and may challenge your navigation. This walk explores Govetts and Greaves Creeks and the Beauchamp Falls. The western section of track is part of the Grand Canyon walk. Let us begin by acknowledging the Dharug & Gundungurra people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
