Looping around the northern bush tracks surrounding Jenolan Caves, this walk explores a variety of different environments, up on the ridges and down along the river. The campsite is a great spot to break and enjoy the quiet, at one of the less-frequented areas of the park. Be sure to allow time to enjoy the views from up on the ridge and especially of Carlotta's Arch. Watch out for stinging nettles down on the river. Let us begin by acknowledging the Wiradjuri & Gundungurra people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.

**Getting started:** From the opposite side of the Jenolan Caves Road from Caves House, this walk follows the 'Six Foot Track' sign up the concrete steps. The walk then follows the stone footpath up the side of the valley for about 80m to pass the 'Southside Show Caves' information sign then just over 30m later to the 'Grand Arch' information sign (and view of the Arch). The walk continues fairly gently up the path for 100m (as it bends right) to find 'Caves House' information sign. The path soon starts leading much more steeply up as it begins to Zig Zag up past a seat and more views down to caves house for 150m beside the limestone cliffs. At the top of this climb the path leads over a small small rise then gently down to a fenced lookout beside 'Carlotta Arch'.
