Linking Forest Tops and Sheepstation Creek campgrounds this walk leads you through Border Ranges National Park. You will walk through the dense rainforest forests of majestic Booyong trees, memorable for their characteristic buttresses. A great way to stretch your legs in the area. There are a series of short tracks down to the creek and many cascades and small waterfalls to enjoy along the way. You can allow extra time if you prefer to return the same way rather than deal with car shuttle. Let us begin by acknowledging the Bundjalung people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
