This walk is the shortest walk to North Era Beach and starts from the Garie car park. Both beaches are popular surfing beaches, and have either camping or basic hostel accommodation. This makes the walk between the beaches an excellent way to transport boards and supplies for your surf retreat, weekend getaway or just a nice stroll during the day. Let us begin by acknowledging the Dharawal people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
