Starting from the car park on McLaughlan Road, The Spectacles, this walk takes you on a circuit around The Spectacles Wetlands. This is one of the two walks in the area, and it traverses through the wetland. You can enjoy the views the wetland provides you as you walk in between the bush settings and boardwalks, reading the informative signs about the Aboriginal Heritage (Nyoongar people). The area also hosts a variety of birdlife, and the flora is also diverse with wildflowers and fungi such as eucalyptus, wattle and paperbark trees. You might want to visit the area after some rain for a better experience. Additionally, dogs are allowed in the park considering they are on a leash. Let us begin by acknowledging the Nyoongar people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
