

## Gar Lower Waterfalls

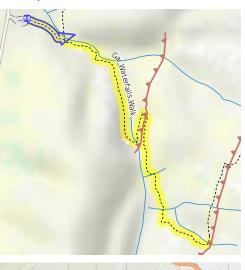

Starting From Troopers Creek Campground, Roses Gap, this return walk takes you to a number of seasonal waterfalls via Gar Waterfalls Walk trail. As you walk along the path, the views of Mount Difficult surrounds you from above and in front. To have the best experience out of this walk, you can visit the area after heavy rainfall or during the wet season, when the intensity of the flow increases. There are rock steps, creeks, slippery areas and cliff edges without fences, so a certain amount of bushwalking experience can be useful. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
