This walk explores some of the hills and river banks of the Lane Cove National Park. Leaving the weir precinct on Max Allen Drive, the walk follows the Great North Walk over the hill and down to Fiddens Wharf (just near the oval). The return journey, past Schwartz Homestead, provides a great chance to see some local heritage. The track passes several picnic areas by the river providing a great chance to rest, eat and enjoy the view. Let us begin by acknowledging the Darug people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
