↓ 141 m

  
Hard track

This walk explores a section of Middle Harbour and Gordon Creek following a narrow bush track. The walk provides some great views across Middle Harbour Creek and the bushland of the area. This walk also gets close to the mangroves along Middle Harbour creek. With the right tide, these mangroves can be very interesting to explore. Let us begin by acknowledging the Darug people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
