Easy track

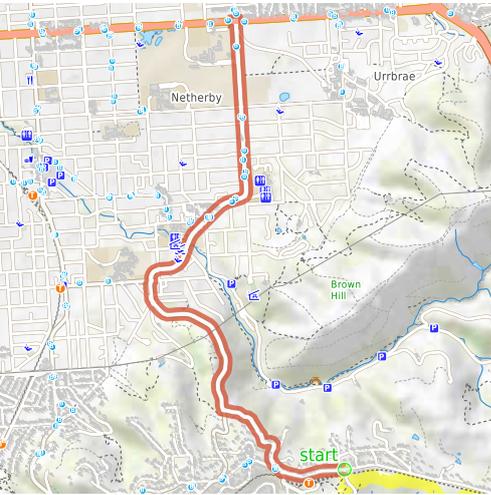

Starting near the Belair Railway Station on Sheoak Road, Belair, this walk takes you on a circuit within Belair National Park via the Yurrebilla and Lodge tracks. As you walk through the oldest national park in South Australia, you'll be amazed by the wildlife in the area. The tracks are well maintained and clearly signposted, and there's a sheltered informative display at the trailhead. The trail is mostly pavement, gravel and dirt, with gentle undulation throughout. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
