Easy track

This walk generally follows Little Dandahra Creek from Dandahra picnic area to Mulligans Hut campground through the lovely heath forest past a series of enormous granite outcrops. If you have extra time you can make this a return walk, you will not get sick of the views, or even camp overnight and return the next day, a great introduction to overnight bushwalking. Let us begin by acknowledging the Ngoorabul people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
