Starting near the Distillery Creek Picnic Area on Bambra Road, Aireys Inlet, this walk takes you on a 11.5 km circuit via the Currawong Falls Track. This invigorating walk takes in great views of the ocean, surrounding countryside and Currawong Falls, before returning via a small fern gully and a melaluca swamp rich in birdlife. The track is clearly marked, and has several long fairly steep stretches. Be careful of mountain bikes speeding by, as parts of the track are shared with cyclists. The falls are often dry, and are best viewed during or after heavy rain. Let us begin by acknowledging the Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
