Starting at Bark Hut this walk in Mount Kaputar National Park takes you on a circuit bushwalk, stopping at lookouts to get great views of the area and observe birds and fauna. If you get there with two cars, park one at Bark Hut and spare yourself the 2 km road bash, but there is another lookout on the road. Let us begin by acknowledging the Kamilaroi people, Traditional Custodians of the land on which we travel today, and pay our respects to their Elders past and present.
